Dear Parent/Carer

Cultural Capital Day - Thursday 19th March

At Grace Academy we value the opportunity to give meaningful feedback to parents/carers and as such we place great importance on our review days. Parent Review Days provide a flexible approach to give you a better opportunity to discuss your child's progress with their subject teachers and identify future steps to success.

In order to facilitate a Year 7-9 Parent Review Day, the Academy day will be shortened for years 10-11 on Thursday 19th March. **Students in years 10-11 will be expected to attend from 09:30 until 11:30 in full school uniform** on that day and will be involved in activities to promote cultural capital and support preparation for their upcoming examinations. These activities are designed to broaden our curriculum, enrich their educational experience and provide additional material which we believe will lead them to future success.

As an Academy we are looking to develop independence in our students. As part of our ongoing commitment in this development, Year 10 students will also be given an extended independent learning task in the key areas of English, mathematics and science to complete at home on the 19th March. These tasks are designed to develop literacy and numeracy skills essential for success across all subject areas. These learning tasks will need to be handed into subject teachers by the end of the half term.

If you have concerns regarding your child on the Cultural Capital day then please contact their Head of Year and as always we will do what we can to support you.

Yours sincerely

Darren Gelder
Principal, Grace Academy Solihull
