September 2020

Dear Parent/Carer

As an academy in the current climate we are constantly reviewing our curriculum offer and looking at any opportunities we might be able to use to enhance your child's experience at the academy. A key one of these has always been the enrichment activities on a Wednesday afternoon. Unfortunately due to the ongoing COVID-19 outbreak we are only able to offer limited enrichment opportunities for years 7-10 on a Wednesday afternoon. In order to maintain the integrity of student bubbles and minimise contact within the academy we intend to run homework/independent study opportunities for students who wish to sign up during the autumn term.

We are continually monitoring government guidance and hope to get back to running our large and exciting range of enrichment activities as soon as it is safe to do so.

Signing up for Enrichment Activities (Years 7-10)

If you wish your child to attend one of the activities which will start on Wednesday 30 September, please indicate using the attached form and **return to your child's form tutor by Monday 28 September**. This will enrol your child for the entire term and attendance to these sessions will be regarded as it would in any other lesson at the academy. The enrichment sessions will finish at 2:50 and your child will not be able to leave the academy until that time.

Your child's place on an enrichment activity will depend on demand, however we will contact you if an enrichment activity is full to discuss alternatives.

If we do not receive a signed enrichment form, your child will not be entitled to attend an enrichment session and will leave at their normal staggered time.

Yours sincerely

Darren Gelder
