September 2020

Dear Parents and Carers,

We are delighted to inform you that we have been selected to take part in the **National School Breakfast Programme (NSBP)**, funded by the Department for Education.

This will allow us to continue our 'outstanding' pastoral support for all students through the provision of breakfast for ALL our students.

The National School Breakfast Program is currently offering a COVID 19 **Breakfast response programme** to improve access to healthy breakfasts during the pandemic. Grace Academy has been granted provision until March 2021.

After half term we will be offering ALL students the opportunity to take advantage of this fantastic opportunity. **Students will be given bagels and cereal to take home** to give them the best start to their day. A healthy breakfast is proven to improve a child's ability to learn and retain important information as well as improve concentration throughout the day.

Please highlight your interest in this by completing the google form in the link below.

We hope this fantastic opportunity will allow our students to begin their day in the best possible way.

If you have any questions at all, please contact Mrs Wright at the Academy.

Many thanks for your continued support
