Dear Parent/Carer,

RE: Lunch Provision

Here at Grace Academy Solihull, we strongly believe that nutritious food and student learning are linked, therefore we strive to provide food at our school canteen that encompasses these beliefs.

From September, as we will be returning to a more normal school day, we wanted to highlight some of the food options that will be on offer in our canteen during lunch breaks. These can be seen in the included overview menu which is just some of what will be offered to our students from September. The menu as provided by Cucina, runs on a three week cycle and has various options to meet all student needs. Students also have a 20 minute morning break from 10:30 - 10:50 during which time they can either eat snacks which they bring from home or choose from a small selection of snacks that can be purchased from our canteen.

If your child is entitled to Free School Meals (FSM), your child's FSM allowance of £2.30 per day will be automatically added to your child's biometric finger scan each day, meaning they can purchase their lunch from the canteen without the need for you to do anything further. As you can see from the attached tariff sheet, there are plenty of affordable offerings, including the daily meal deal at £2.30 (hot main meal and a pudding) and the 'Blue Dot Deal' to ensure all students have access to substantial meals whilst they are at school.

Please note that this FSM allowance is only able to be used during lunch time, therefore if students wish to purchase food at break time, please ensure you top up their ParentMail account with sufficient funds in the usual way.

If you have any queries about how to use ParentMail or if you think you may be eligible for Free School Meals and want to find out how to apply for this, please contact the school office.

Yours sincerely

Mr Darren Gelder
Principal
For and on behalf of Tove Learning Trust
