12th July 2021

Dear Parent/Carer

GCSE Results Day – Thursday August 12th:

As we have communicated previously in line with government guidance, grades for this academic year were determined by teachers based upon a range of evidence that students provided. Details on this process including how students were assessed, the evidence used, how to request special consideration and guidance on the appeals process can be found in previous communications on the **“Awarding Grades 2021”** page under the parent section of our website.

Following a rigorous in school quality assurance process, student grades submitted by teachers will be reviewed by the exam boards before they award the final grades.

These final grades will be released to students on results days this year, which for year 11 students will take place on **Thursday 12 August**. Under government guidance we are not allowed to release information regarding these grades before this date and we must also confirm that judgements have not been influenced by pressure from students or parents/carers. I would therefore like to ask you and your child to not enquire or pressure teachers to provide these grades before those dates.

Due to the uncertainty regarding Covid regulations we intend to operate remote results days where students/parents can access their results and support/guidance via a secure online site. Students results will be available electronically from 9.00 am. We have included a guide on how students will access their results electronically and I would ask you to go through the process over the coming weeks contacting the IT helpdesk if you have any issues.

Your child's **individual password which they will require on the day to access their results will be provided through the post**, please keep this letter and accompanying guide safe.

Despite the challenges that Covid regulations create we are aware that students and parents will rely on us for our normal level of support. We will offer a dedicated phone helpdesk (**0121 329 4600**) which will be running from 09:00 on results day. Here we will be on hand to support and direct any questions/queries you may have to an appropriate member of staff including our KS4 transition team and an independent career advisor.

We will also include a guidance document with the students results which will answer many of your questions.

Grace Academy is part of Tove Learning Trust, a multi-academy trust whose Company Registration Number is 07525820 .

If you require any additional information on how grades were determined or any specific queries on the evidence used then please contact the help desk so that we can support you in providing this information.

On behalf of the staff here at Grace Academy I would also like to take this opportunity to send our best wishes to all students and wish them good luck for their future.

Yours sincerely

Mr D Gelder
Principal- For and on behalf of Tove Learning Trust
