Dear Parent/Carer,

RE: National Tutoring Programme Yrs 7-10

As you may be aware, to mitigate the impact of Covid-19 on the progress of students the government has set up and asked schools to support in facilitating the National Tutoring Programme.

Since returning in September we have engaged in two out of the three elements of this programme. We have worked with a tuition partner to support key groups of students both in school and remotely, as well as employing an academic mentor who has worked with a range of students to support them in key subjects.

We are now looking forward to the next phase of this programme in the final term as we widen our response to other students who might need the support.

As part of the next phase we would like to offer parents and students the opportunity to register their interest in being part of our school-led tutoring programme. This will provide free, small group tutoring to your child in key academic subjects to support their progress.

It is our plan to deliver this after school on a Monday, Thursday and Friday from 14:50 – 15:50. The programme will run for five consecutive weeks starting on the 20th June 2022 and will take place in school with subject specialists.

This small group tutoring will be funded by the academy and provides a unique opportunity to support your child. If you are interested in your child taking part in the programme and can commit to them attending those sessions then please return the slip to reception by **Friday 27th May 2022**. We will then confirm if your child has been selected to take part in the programme dependent on interest and need.

National research completed by the education endowment foundation highlights the comparative success and accelerated progress that small group tuition can provide and we hope that by offering this opportunity to the wider school body we can support as many students as possible.

Yours sincerely

Mr Darren Gelder

Principal

For and on behalf of Tove Learning Trust

Please return to reception by Friday 27th May

Name of Student:

Year:

I would like my child to be considered to take part in the school-led tutoring programme in the summer term and commit to them attending from 14:50 – 15:50 on Monday, Thursday and Friday for five consecutive weeks.

Signed:
