Please allow enough time to find the correct room. Once you are invited to enter the room, make sure that you sit down at your own desk (this is indicated on the seating plan) and not somebody else's.

M

Malpractice: Malpractice is any default or practice which is a breach of the **JCQ regulations** or which compromises, attempts to compromise or may compromise the process of assessment, the integrity of any qualification or the validity of an examination result or certificate.

This malpractice can occur in the course of any exam or assessment, including the preparation and authentication of any coursework, the presentation of any practical work, the compilation of portfolios of assessment evidence and the writing of any exam paper.

Mobile Telephones and Electronic Devices:

Mobile phones, other electronic means of communication or electronic devices are not allowed into examination. N

Cheating

Q

Quarantine: Quarantine is used when you have a clash on your timetable and you have to be supervised throughout the day until you have completed your exams to prevent you from coming into contact with other students who have already taken the exam.

If you are required to go into quarantine over a lunch period, you must bring a packed lunch and a drink with you on that day as you will not be allowed to use the canteen.

Mobile phones, pagers & electronic communication devices are not allowed in any quarantine room.

YOU WILL BE NOTIFIED ON YOUR CLASH LETTER OF YOUR QUARANTINE ARRANGEMENTS.

You will be supervised immediately after your examination until the end of your quarantine period. In quarantine you may revise for your next examination or talk **quietly** with fellow candidates. Please be respectful of invigilators and ensure that classroom furniture and/or equipment and books are left as they were found – neat, clean and tidy. You must take your litter with you or place it in the bins provided.

R

Remarks: The awarding bodies offer the option of having a script remark, at a fee, if a candidate is unhappy with their mark for a certain examination, please speak with your teacher, they (with the candidates consent) can view the exam script. If the teacher is unhappy with the marks. There is a choice of remarks; these are:

Clerical check - A **clerical check** is simply when the relevant awarding body checks that the number of marks given has been added up correctly.

Full remark - Whereas with a **full remark** the awarding body sends your examination paper to a different examiner, this time a senior examiner, and asks them to remark it using the same mark scheme.

If you're not satisfied with the grade you have achieved the first thing you need to do is speak to your teacher, they will then discuss the following:

ARE YOU CLOSE TO THE GRADE BOUNDARY?

Remarks usually only alter a grade by a few UMS marks, if any at all. If you are therefore very close to a higher grade boundary a remark may be worth considering but if you require a substantial amount of marks to achieve a higher grade then the likelihood is that your mark will not change.

YOUR GRADE CAN GO UP AS WELL AS DOWN

Remark means your entire paper remarked therefore your grade can easily go down as well as up. If your grade does get lowered you cannot refuse it and ask for the original higher grade to stand. You must be aware that this is the chance you take when asking for a remark. Because of this candidates often apply for a photocopy of their paper before applying for a remark.

Results:

The academy will inform students of results day processes. The candidate themselves is advised to pick up their certificates, however if you are unable to then we allow family members to come and collect on your behalf. If this is the case please write a letter to the Exam Officer - Miss Baker, explain the reasoning and stating your full name and the person who will be collecting - Family members can collect your

results as long as they are over 18. The family member will be required to bring a form of identification (Such as a Driving License).

If you/family members are unable to collect we are able to post these home for you. Additionally you can ask the Head of Year to phone you informing you of your results.

S

Script:

Candidates are able to request access to their examination scripts from the awarding bodies for general interest or to help with future learning. There are two types of access to script services available to candidates; these are:

- Original scripts
- Photocopied scripts

Many candidates often wish to see their examination script in order to decide whether or not to have the paper remarked. If this is the case then **you must request a photocopy of the script.** If you would like a copy of your script, please liaise with your Teacher

Seating Plans:

Seating plans are produced and displayed in the corridors leading to an exam room, as well as provided to students during pre-exam revision sessions. The invigilators in the room will also have a copy of the seating plans so if you are struggling to locate your, please speak with an invigilator.

Ensure you familiarise yourself with where you will be seated on the day of the exam.

Special Consideration:

The awarding bodies will not apply special consideration for anything other than serious reasons. Please see Miss Baker immediately if you feel that you may have been affected by a circumstance beyond your control.

Anyone attempting unfair practices can expect **cancellation of examination entries and possible exclusion from GCSE examinations for a period of up to 5 years.**
