1 Introduction

We take great pride in our building, facilities and services. Our single footprint, multi million pound Academies are designed to meet the needs of our students and the requirements of the whole local community.

2 Availability

The Academy may be used on regular and specific evenings for Academy events such as parents evenings. Academy events will take priority over lettings and therefore the Academy diary should always be considered when booking.

At all other times and according to our 'Community Use Agreement' Grace Academy will give priority use to sports and physical activity development programmes during the 'Community Use Period' (4.30pm to 09.30pm weekdays during Academy term time, 9.00am to 2.00pm on Sundays, 9.00am to 16.00 on a Saturday between 9.00am to 09.30pm during the week in Academy holidays. These programmes may include:

- (i) Opportunities for beginners, for people wishing to improve their sporting skills via programmes of coaching and competition and training for players, coaches and officials.
- (ii) Opportunities for participants to join sports clubs and other organisations
- (iii) Specific activities aimed at attracting new participants to a range of sports from the following priority groups:
 - 16 and under;
 - 45 and over;
 - Girls and women;
 - Lower socio economic groups;
 - Black and ethnic minorities;
 - People with disabilities;

Other specified target groups agreed between the parties to this Agreement and always a balanced programme of use which satisfies Academy curriculum and extra-curricular sports needs and further provides for a wide range of community sports (where feasible) including provision for:

- Sports and physical activity development Initiatives;
- Organised club sessions;
- Coaching / Officiating courses;
- Adult education courses;
- Casual use;
- Use by National Governing Bodies of Sport and other recognised organisations; Volunteering Opportunities

For the remaining availability, priority will be given on a 'First Come, First Served' basis. If the facilities are already booked, the Facilities department will consider what negotiations can be made to accommodate the bookings of a clashing enquiry and look to secure both bookings.

3 Procedures

3.1 Enquiries

Enquiries can be emailed in (the Lettings Booking Form available on a lettings section of the website), made in person at the reception, or discussed over the phone. If the enquirer comes to the Academy to make an enquiry, or to deliver a Lettings Booking Form a signature is to be obtained in agreement to the terms and conditions whilst they are present. The form will then be scanned and emailed to the Facilities team.

3.2 Approval of Use and Monitoring Bookings

All enquiries will be subject to a check of appropriateness against Grace Academy values before approval is given or a booking accepted.

3.3 Booking Confirmations

The Facilities team will communicate the cost to the enquirer. On their acceptance and wish to proceed, the facilities team should be booked on the Google Calendar. If the enquiry was made over the phone, the enquirer will need to either come into the Academy as directed by reception or the facilities team to sign an agreement to the terms and conditions, send a signed form in the post, or scan and email it in to the Facilities team within the academy.

The 'Booking Confirmation Section' of the form is completed, indicating who confirmed the booking with the enquirer, the date and indicating who was included in the communication of the confirmation. The cost of the booking should also be detailed on the form.

The completed Lettings Booking Form is copied as a booking confirmation to all the relevant parties within the academy this may include although it is not limited to the customer, the finance team (for invoice), the Google calendar, the catering staff, the cleaning staff, reception and any other staff who's regular working environment may be affected by a booking – for instance the form tutor of a classroom booked the evening before.

3.4 Invoicing

Accounts will raise the invoice with relevant VAT rates applied for various aspects of charge and they will then forward it to the customer, copying it by email to the Facilities team, catering staff (where applicable for refreshments), and Reception, if appropriate. This process should be accomplished within 48 hours of the initial enquiry confirmation. Annual bookings shall be invoiced three times a year in September, January and April.

3.5 Payment

All bookings have to be paid for in advance. The Academy will advise as to its specific requirements upon the type of booking made i.e. one off, long term or immediate.

BACs payments can be made to the sort code and account number as noted on the booking form. Cash can also be received at reception between the hours of 8am and 4pm. Payment must be made in advance prior to the facilities being used.

3.6 Cancellations

In the event that the hirer or the academy have to cancel a session no refunds will be given. If the hirer cancels a booking, it will be up to the discretion of Grace Academy Solihull whether a full refund or part refund will be able to be provided as timescales and circumstances will need to be considered. Should the academy cancel the booking, the customer is to be informed immediately and an agreement reached as to the date and time of a replacement session using the same facilities as originally booked.

In either case the Lettings Cancellation Form will be completed by the team and copied to all relevant internal and external parties.

3.7 Reception, Health and Safety Rules

The hirer is responsible for ensuring that they complete a register for every session and this must be readily available if required in the event of an emergency. On the first session of any particular booking or prior to their booking taking place, the lead contact person is required to arrive 15 minutes in advance of the activity time. They will then:

- Have the Health and Safety Rules and Incident / Damage Report Form Explained. (A paper copy is provided in their lettings pack but also with the register each session)
- Be shown to their facility
- Be shown how to contact the appropriate person in case of an incident via the provided site phone, and also advised what to do if they find facilities not in good working order
- Be shown which toilets to use and where to find refreshments etc (if provided)
- Sign to take responsibility for their whole group
- Collect all their visitors from Reception if appropriate, but generally these will enter via the PE area.
- Additional information may be sent by text when required i.e. adverse weather conditions

4 Prices

Prices will be reviewed by the Principal on a bi-annual Basis. Prices are not included in the Lettings Pack or on the website. The academy reserves the right to give a discount where the community is included by the activity of the hirer but all academy costs and expenses must be met to ensure the academy is not 'out of pocket' by letting the land or building or any other academy equipment or facilities.
