05 June 2024

Dear Parent/Guardian,

**RE: End of Year 11**

First of all, we wanted to share how proud we have been of the year 11 students during this examination period. The vast majority of students have been attending early morning and after school revision, completing their own revision at home and showing a level of commitment and dedication which shows their maturity. Teachers have been working non-stop to ensure that students are well prepared and we have heard incredibly positive things from students about their examinations so far.

The final examination for the majority of students will be Friday 14<sup>th</sup> of June, except for those who do the food qualification, whose final exam is on Wednesday 19<sup>th</sup> June. Students will not be required to attend school after their final exam.

As we head towards the end of the exams there will be some times in which students will leave the academy early to complete their own revision at home, for details please see below:

- **Monday 10<sup>th</sup> June:** All students arrive at 08:00 for preparation ahead of the maths exam and will leave the academy at usual time.
- **Tuesday 11<sup>th</sup> June:** All students arrive at 08:00 for preparation ahead of their science exam. Combined Science students will leave the academy at 11:50 to complete independent revision at home. Students who study Triple Physics will remain in the academy until 12:50.
- **Wednesday 12<sup>th</sup> June:** All students arrive from 08:20. Combined Science students will leave the academy at 11:50 to complete independent revision at home. Students who study Triple Physics will remain in the academy until 12:50.
- **Thursday 13<sup>th</sup> June:** All students arrive from 08:20. All students will leave the academy at 12:50 to complete independent revision at home.
- **Friday 14<sup>th</sup> June:** Students who study Geography will need to be in at 08:00 ahead of their Geography exam. Students who do not study Geography do not need to attend school until 10:30. All students have a science exam in the afternoon and will be allowed to leave once they have completed their exam.

Students studying food will also need to attend at the following times:

- **Monday 17<sup>th</sup> June:** Option A Students to attend 08:30 - 10:30, Option B Students 11:00 - 13:00.
- **Tuesday 18<sup>th</sup> June:** Option B Students to attend 08:30 - 10:30, Option A Students 11:00 - 13:00.
- **Wednesday 19<sup>th</sup> June:** All food students to attend from 08:00 for revision ahead of their exam.

We appreciate that students will want to sign shirts and say goodbye to everyone as part of the leaving assembly. Due to the staggering of exams this isn't possible on Friday 14<sup>th</sup> June, so we **intend to have our leaving assembly and shirt signing on Thursday 13<sup>th</sup> June** before students leave the academy at 12:50. Shirts should not be signed on any other occasion, **students must have other non-signed shirts available to wear for the remaining exams** otherwise this can impact on a student's ability to take part in these examinations.

As always, we thank you all for your support and please note that details about results day will be shared towards the end of the academic year.

Yours sincerely,

Shaun Donald , **Associate Vice Principal**
