Introduction

We are very clear about our uniform expectation here at Grace Academy Solihull as our uniform is central to what we do, by adding to the positive learning environment within the academy as well as reflecting the values that we stand for.

The Academy will consider the individual facts of each request to depart from any aspect of the policy for religious or medical reasons taking into account all relevant circumstances.

Our Academy uniform is worn by all students at all times as it fulfils three important functions:

- It gives the Academy a clear identity
- It represents a simple but effective statement of our pride and sense of community
- It also avoids any stigma or competition between individuals that can occur all too easily because of designer clothes and fashion trends

Students not in the full uniform will be sanctioned accordingly and may include:

- confiscation of banned items of uniform, for example hooded tops
- behaviour sanctions if a student refuses to borrow correct uniform
- parents/carers contacted to deliver correct uniform to the academy

Official Grace Academy Solihull uniform items can be purchased from our recommended local school uniform supplier [Mansuri Schoolwear](#) where specified, however other items can be purchased more widely as detailed below, including from second-hand retailers. Uniform support

We appreciate that every family's personal circumstances may not be the same, so we have worked very hard to ensure our uniform is affordable for all by reducing the number of mandatory branded items to three only, which includes the blazer, tie and sports training tee.

We now also have an onsite uniform bank that can be both donated to, as well as collected from. This is stocked with pre-owned uniform items that parents/carers may be able to access. If you feel this would be useful to you please contact the academy and ask to speak with our Family Support Worker regarding this. If you require any additional information or support with regards to our uniform please contact the academy. Parents/carers experiencing difficulty in acquiring the correct items should contact their child's Head of Year for further support and guidance.

Post 16 Uniform

Our Post 16 students are given more freedom to express themselves through choosing their own school appropriate attire for the majority of the week, with smart business dress required on a Friday. This supports the transition into the working world where they will be expected to dress appropriately for their work environment.
