Dear Parent/Carer,

### RE: Academy End of Year Celebrations

As we start to approach the end of what has been an incredibly positive and productive year for our students, we would like to take the opportunity to celebrate their achievements and milestones—made possible through your continued support.

At the academy, we believe it is vital to recognise and celebrate the different stages of each student's educational journey. Marking these moments not only acknowledges their hard work and growth, but also helps them build confidence as they transition into the next phase of their learning. These celebrations serve as important reminders of how far they have come and inspire them to embrace the opportunities ahead.

We will be holding a series of Award Ceremonies and Assemblies for Years 7–10 later in the term, where we look forward to celebrating the hard work, progress, and personal achievements of our students. These events are always a highlight of the year, offering a wonderful opportunity to recognise the dedication shown by our young people. Further details and invitations for this will be shared with you closer to the time.

We are also delighted to recognise the accomplishments of our Year 11 students as they reach the end of their formal education. To mark this significant milestone, we will be hosting a Graduation Gala on **Monday 15 June** for all Year 11 students. To allow staff to fully support and celebrate with them, the academy will close at **12.30 pm** for all students on that day.

I am sure you will join me in wishing our Year 11 students every success and happiness as they take their next steps, wherever their journeys may lead.

Yours sincerely
